

High-Performance Sound from a Small Form Factor.

Denon's Music Maniac™ AH-C250 In-Ear Headphones are highly machined and tuned to a flat EQ. Each in-ear housing features a single balanced armature driver encased in zinc die-cast housing to deliver high performance sound from a small form factor. The Double-Layer Jacket, non-tangle cable includes an in-line remote (for control of Apple iPod®, iPhone®, and iPad™) and microphone for clear phone conversations when you are on the go. Customize the fit with your choice of ear tips included (Silicon: XS, S, M, L or Double Solid Silicon S, M, L). Further enhance your listening experience by downloading the Denon Audio app, available for Apple iPhone, iPad, and Android® smartphones.

Denon Headphones Sound Like You, Fit Like You, Move Like You.

Denon's line of Music Maniac headphones are designed with the audiophile in mind and feature a flat EQ curve, providing an experience that Sounds Like You, Fits Like You, and Moves Like You, so you can feel the music like never before.
